#16 守(まも)るべきもの

Something to Protect

Gently swaying there is..
...coral?
I'm at... the bottom of the ocean....?

Lushia
at last we meet
.
I didn't think
we could meet again
Its astonishing

I
can't
speak
.
.
.

Here in the
wide desert

Here at the
bottom of
the ocean

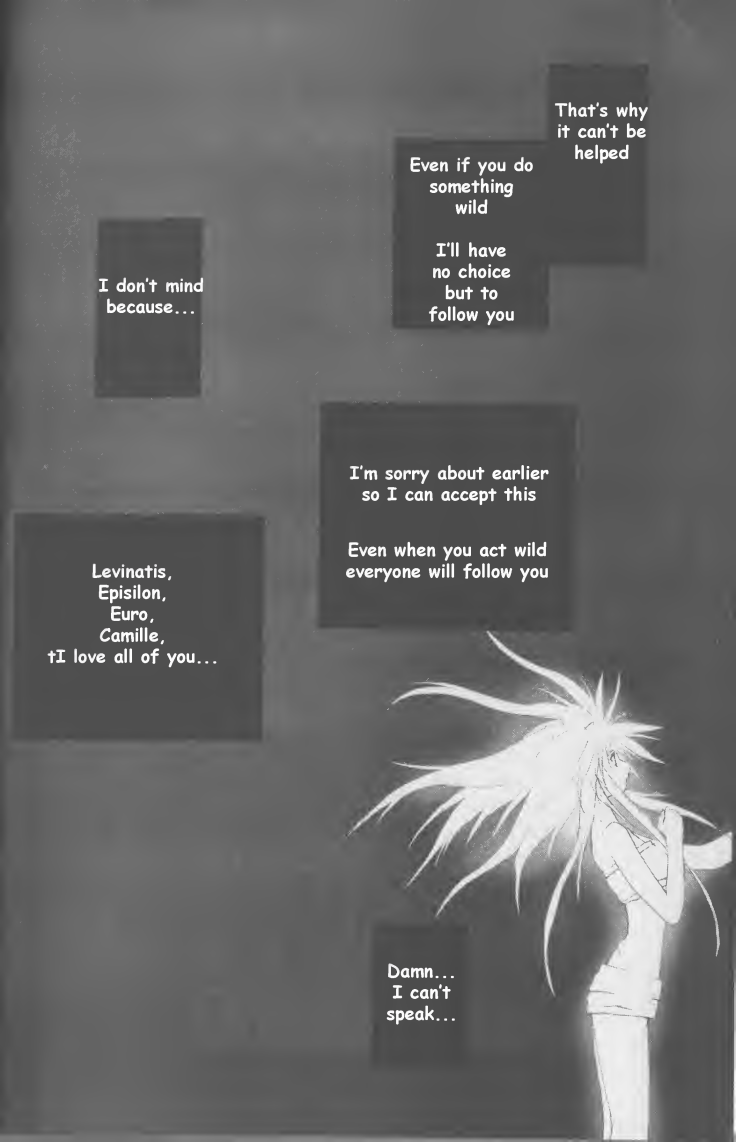
You are
impossibly
near-

If you simply
turn we'll
see each other

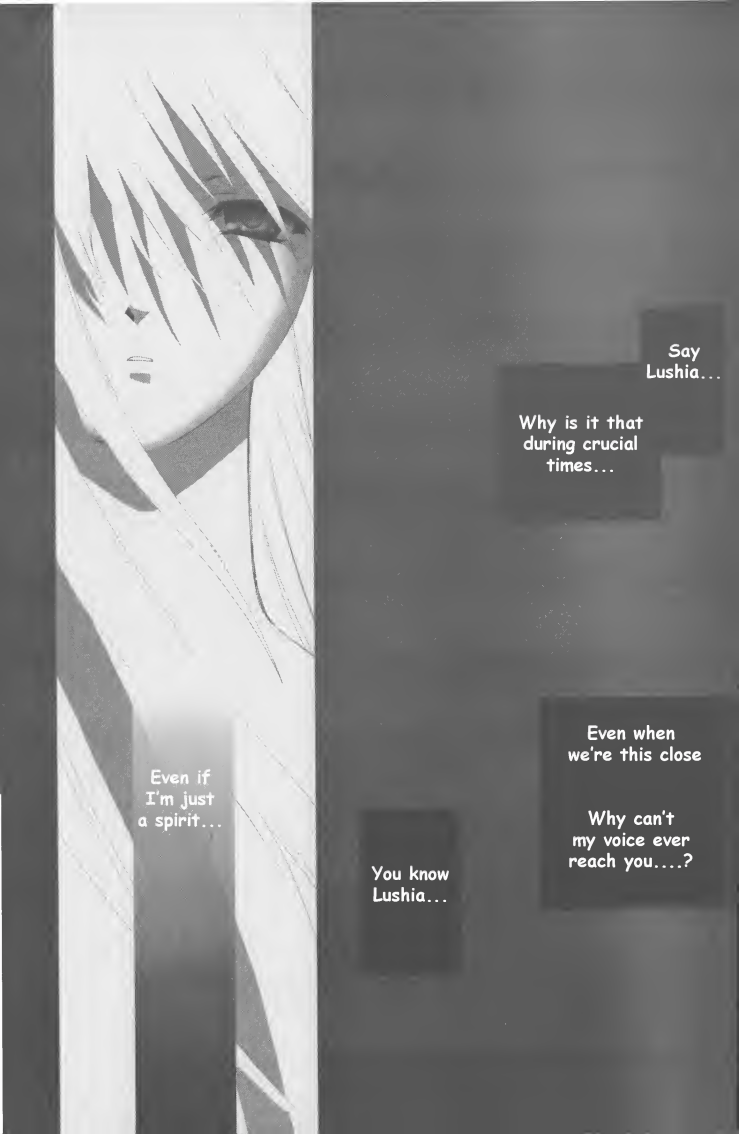
.....
Strange
I can't
speak...

Yet
in my heart
I knew
definitely
we'd meet
again

Somewhere..
because
Lushia and I
are connected



That's why it can't be helped
Even if you do something wild
I'll have no choice but to follow you
I don't mind because...
I'm sorry about earlier so I can accept this
Even when you act wild everyone will follow you
Levinatis, Episilon, Euro, Camille, †I love all of you...
Damn... I can't speak...



Say Lushia...
Why is it that during crucial times...
Even when we're this close
Why can't my voice ever reach you....?
You know Lushia...
Even if I'm just a spirit...

I
Love
You

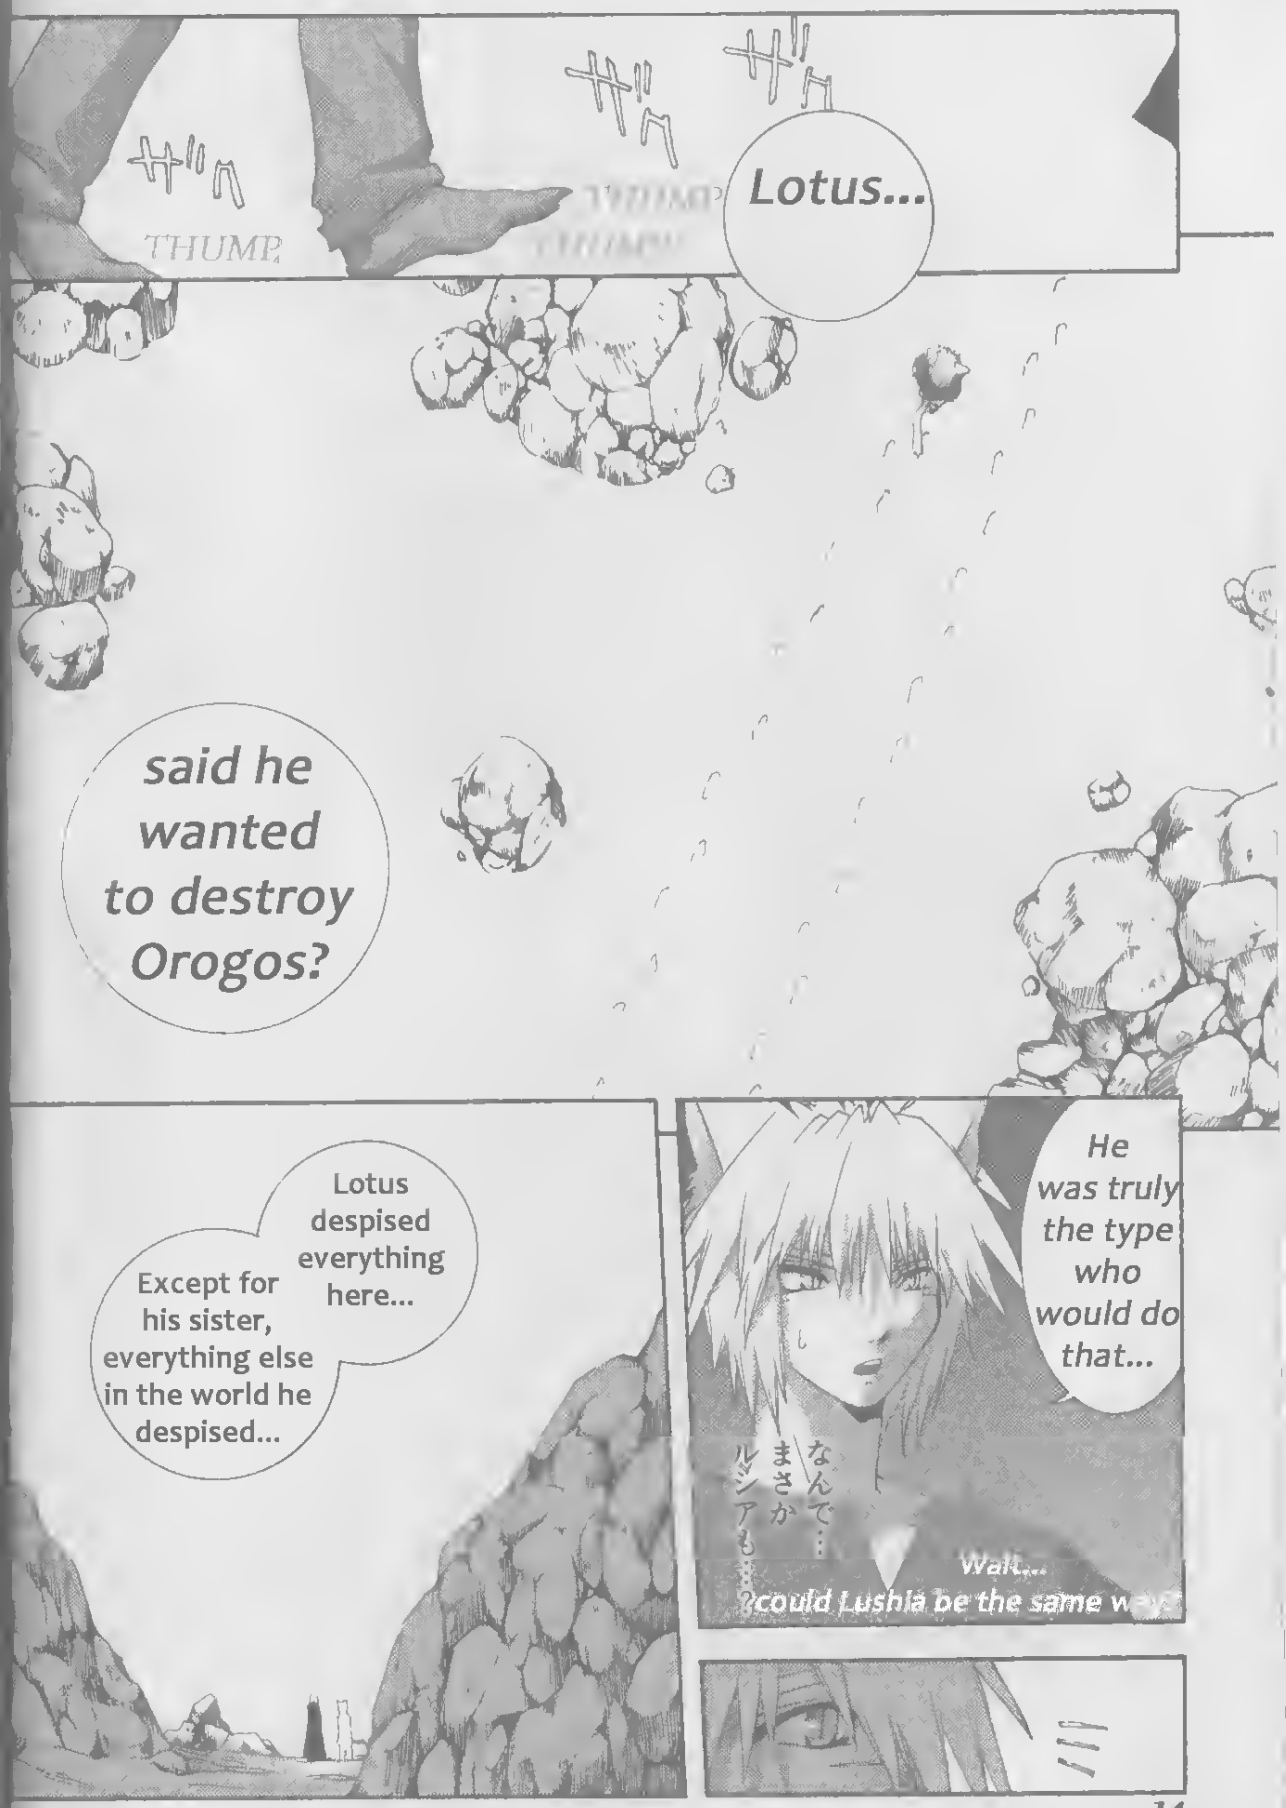
I'm glad I'm at the bottom of the sea
Where tears are invisible

sfx: feet running...

grab
I'm such an idiot
I have the lowest rank so I.....
I'm always just following everyones' footsteps
"If I ever go away...
Don't worry about coming to look for me, ok?"
Something definitely happenned...
After he said...
haa
And in the end I couldn't even find Lushia
Even if I go home there won't be anyone waiting there...

I'm going to look for everyone!
but Naoto...
I can't help it, there's something I can do now

Please! Show me where everyone is!
THUMP
Ha-
yah!



THUMP
THUMP
Lotus...
said he wanted to destroy Orogos?
Except for his sister, everything else in the world he despised...
Lotus despised everything here...
He was truly the type who would do that...
なんで…まさかルシアも…？
Wait... could Lushia be the same w

I too..
was that kind of guy
CRAAASH!

They're fighting! Fighting!
Thats why I said with with those 3 brothers he there'll be trouble!!
Fool! Are you gonna ruin a good show?!

ガラン
ガラン
CLATTER...CLATTER

H... hey...
Could that boy be the...?
Ohh! He's cute and still so naive.
Ignoring everyone that boy has fixed his eyes on the three brothers....
.....
Weeell then!
what kind of tragety will be shown today?
Heh-heh...
He's the "Shinigami Kenshi!"
Huh?
Yep! Without a doubt...!

** tn: Shinigami Kenshi: "Death God-Swordsman"

GO AWAY!
I thinks dis white-snotted brat must want a thing or two wid us?!
Maybe he wants our food?
GASP
Hey brother, why is this guy coming toward us?
FIRST...
I'LL KILL YOU THREE
SWIPPE

!!!
...Don't tell me.... you want to mingle with the "shinigamikenshi?"
But.. the rumours I heard are the same
Bi-Sho-Nen~

sfx: explosion

sfx: bloodspilling
KILLED IN A MOMENT..

sfx: eyes snap open
sfx: shivering

sfx: screams
sfx: gasp
sfx: loud thud

CLAAAATER!
Do you wish to die too?

'sup!
Nice to meet you
My name is Lotus
Eh...
so the crowd was right about you being handsome
When you grow into an adult I suppose you'll become an even more beautiful man

I can see in your eyes...
that you hate the entire world
.....truly your eyes are beautiful

You and I
are the same

Thats how I met Lotus
Afterwards Lotus and I started living together
After I met Lotus, I started to change a little at a time
THUD
SFX: Smooth gesture

.....
Lotus
Have you noticed the Moon?
Its been like that since this morning...
However, one thing is different
You and I are the same...
その髪かざり…
That's her hair band
.....
Do you understand?
Lotus

Forget about that girl
She'd just hate you anyway.
He killed her?
You'd be getting close when she'd see your killer essence.
I guess you don't rememer, but didn't you kill her parents?
Even though I can't touch it right now, there's something I want to protect
But you don't have that

Like I thought, You and I are the same eh?
GRIN
What does he mean by that?
Well I'm feeling hungry
TOSS
SFX: Jumping off bed
I stopped killing people
After that

Ep,
wait for me here
I'll go with just Naoto
Besides, you have your own dirty business...
We're be speaking into a house crowded with Elphi's two is enough
I'll go too
He'll lead Coral...
When night changes to day Naoto will return

I'm...
going to act
a little violently
You...
I'm going to act violently...
so would you stay here?
Or else,
do you intend to use your power
to die?
I know about
your short lifespan
So what's it
going to be?
I'll say it again,
when night changes to day
Naoto will return
to lead
Coral and...
something will happen to,
and I want want you to be
there to protect Coral.
Thats just
what I thought
you'd say....

Get on a fliying dragon and fly far away
Promise me you'll protect Coral Epsilon
I will make this world crumble...
Ahh die...
But I said we're the same, we hate everything in this world
Are many people going to die?
I...
Different from you...!?
I'm..
"Theres something I want to protect"
"You don't have that..."

The thing I want to protect is...

..His final words

That was the last time I heard from Lotus...

After that...
even that morning
two people did not return

Lotus's advance warning
that he would destroy the world
also didn't happen

The sun rose high
and was slipping under the horizon..

Already
I had given up
hoping, and I
thought I
would die here

Then a boy
with cat ears
carrying a figure
like Lotus

appeared
before
me

And that's when I realized...

Levi,

Can you
really not remember
anything from
that day?

Lotus was already....

That on that day...
By my own hands did I truly kill Lotus...?
Ah.. I can't recall and yet...
I remembered the name "Coral" and then...
Little by little, I started to have a prenominition...
Lotus
is still alive...
Lebi,
My mind knows the reason
But...
.....
Epsilon I
Levi-nas!
!
sfx: running

sfx: fast motion

sfx: sly slip

My spell was supposed to quickly erase..
ナオトとの記憶を
全て消去する…
その仕事を終えたら
さっさと去ることに
しようと思っ
... their memories of Naoto
Camille..
Naoto..?
Do you know what happened to Naoto?
Naoto was killed by me
